

KEY FACTS

Investment Objective

The objective of the Fund is to provide a balance of capital growth and income over the medium term (at least 3 years). The Fund is actively managed and will invest in a diversified mixture of assets comprising equities, fixed interest securities and alternative investments.

The Fund invests in both defensive asset classes, such as bonds and in less defensive asset classes, such as equities.

Performance data for the SVS Aubrey Citadel Fund B GBP Accumulation share class, which began on 12/11/2024. Performance shown prior to this date is based on the A GBP Acc share class.

Fund Source: Aubrey Capital Management. Performance data is calculated on a net basis by deducting fees incurred at fund level (e.g. the management fee and other fund expenses), save that it does not take account of initial charges or switching fees (if any). Income reinvested is included on a net of tax basis. Index: The IA Mixed Investment 20-60% Shares TR is used for comparative purposes only. Source: The Investment Association. The ACD has selected this comparator benchmark as it believes this benchmark best reflects the Fund's asset allocation.

Since inception performance figures are calculated from 31st August 2022.

*2022 calendar year performance is from Fund inception to 31st December 2022.

These figures refer to the past. Past performance is no guarantee of future results. Investment returns may increase or decrease as a result of currency fluctuations.

IMPORTANT INFORMATION

This is a marketing communication issued by Aubrey Capital Management Limited who are authorised and regulated by the Financial Conduct Authority. Please refer to the prospectus and the KIID before making any final investment decisions and if you are still unsure, seek independent professional advice. Investors in the Fund are exposed to fluctuations in the Fund's value, which can go down as well as up, and may be subject to significant volatility due to market conditions and changes in foreign exchange rates. Past investment performance is not an indication of future performance. As the Fund can invest in smaller companies and emerging markets, and may from time-to-time hold a concentrated portfolio of investments, it may be more volatile than a broadly diversified portfolio investing in developed equity markets. As a result of these risks, you should ensure investment in the fund is suitable for you.

Aubrey Capital Management has taken reasonable care to ensure the accuracy of this information at the time of publication but it is subject to change without notice and it does not in any way constitute investment advice or an offer or invitation to deal in securities. The Fund is not registered for sale in the United States and is not available to, or for the benefit of, U.S. persons as defined by U.S. securities laws.
